OFFICE OF LEGISLATIVE COUNSEL

Tuesday - 28 January 1964

1. (Unclassified - JSW) Talked with Frank Schupp, House Foreign Affairs Committee staff, who indicated Congressman Selden was inquiring if we had any later information concerning the number of Latin Americans being trained in Cuba. I indicated that on a non-attributable basis he could indicate to Selden that the figures previously furnished for last year would be about the right figures for this year.

2. (Unclassified - JSW) Mr. Shacklett in the office of Congressman Wright Patman inquired if we could arrange an interview of one [redacted] who is graduating from the University of Texas in June. Apparently Russell is being interviewed at DIA and NSA. Arrangements were made for Russell to see [redacted] at 2:30 tomorrow afternoon.

5. (Internal Use Only - JGO) Discussed with Miss Nettie C. Bishop, secretary to Congressman Frank C. Osmer (R., N. J.), the Congressman's letter of 24 January 1964 concerning a Reserve Air Force Officer and observation in American defense plants. Miss Bishop thanked me for stopping by and indicated that they would refer the matter to the FBI.

6. (Internal Use Only - JGO) Discussed with Miss Judith Quattlebaum, Congressman William E. Minshall's (R., Ohio) office, a constituent request for CIA reports on Soviet activities in Latin America and the Middle East. Miss Quattlebaum indicated that she would respond that such reports are classified and not available for distribution. No written response to the Congressman's letter of 23 January 1964 is necessary.

7. (Internal Use Only - JGO) Advised by Mr. John Martin, Assistant Chief Counsel, House Ways and Means, that the Chairman is out of town during the week. Committee meeting to establish a schedule for consideration of legislation may be forthcoming during next week, but no date has been established as of today.
